General comments

Illustrations in 'Androsaces' generally are initialled

Illustrations in 'The Genus Androsace' generally are not initialled

Some illustrations appear in both volumes

Sheet size is the approximate dimensions of the card sheet; many are mounted on A4 paper backs.

The illustrations form a reasonable part of the sheet and are reasonably centrally placed unless indicated in the comments

Most of the drawings are on card, estimated at 160gsm or greater

No entry in the comment column means the drawing is clean and sound
