# SHOWS 2014

## SHOW RULES

1. Exhibitors must be members of the Club, unless otherwise stated.
2. The term 'rock plant' shall mean any plant suitable for the rock garden, bog garden, wild garden or alpine house.
3. Section I is open to all members. Section II is open only to members who, at the start of the show year have not won more than 50 SRGC Section II First Prizes. Section III is for Junior members. Section IV is for non-competitive exhibits of plants, photographs, paintings, sketches, etc. Council is anxious to encourage these to make the shows as successful as possible. Please advise the Show Secretary of the size of the exhibit by the entry date.
4. All plants for competition should be clearly labelled and the names should be horizontally displayed. Inaccurate naming shall not be a disqualification.
5. Competitive exhibits must be the property of the exhibitor and must have been in his or her possession for at least six months before the date of the Show.
6. No competitor may have more than one exhibit in any one class, unless specified for that class in the schedule.
7. No exhibit shall be removed from the hall between the hours of judging and the close of the Show without the permission of the Show Secretary.
8. All exhibits must be removed at the end of the Show.
9. The scoring for all awards based on an aggregate of points will be as follows:

	First	Second	Third
6 Pan Classes	180pts	120pts	60pts
3 Pan Classes	90pts	60pts	30pts
2 Pan Classes	60pts	40pts	20pts
1 Pan Classes	30pts	20pts	10pts

10. The Show Secretary shall appoint Judges for the Show, and their decisions shall be taken as final. For Sections I and II at least two of the three Judges shall be selected from those names on the Club's Panel of Judges which is held by the Chairman of the Show Secretaries' Committee. At least one of these three Judges shall reside outside the immediate neighbourhood of the town where the Show is being held. For Sections other than I and II, Show Secretaries are at liberty to use their discretion. No Show Secretary shall appoint a Judge who has already served at the Show for the previous two consecutive years.
11. Any protest must be delivered in writing within half an hour of the Show opening on the first day of the Show to the Show Secretary, who will then appoint a Committee of not less than three persons who will consider the protest.
12. All cups and trophies (except medals) to be held for one year. Cost of engraving trophies may be reclaimed from relevant show secretaries.
13. All exhibitors, except those officially retained, shall leave the hall at the commencement of judging.
14. a) Plants entered in classes for plants 'grown from seed' must be accompanied by date of sowing, and may be accompanied by botanical notes (unless stated as a requirement)

- b) Plants entered in classes for plants 'new, rare or difficult' must be accompanied by botanical notes containing cultural requirements and if grown from seed must be accompanied by sowing date.
15. Classes for bulbous plants include corms and tubers. Judges should exclude rhizomes and Orchidaceae, but may give liberal interpretation to plants coming under the other headings. They should look for established plants.
16. All plants should be free of pests and diseases. Any plants may be removed to a safe place by the Show Secretary if in his or her opinion a plant is harbouring pests or diseases.

## **SPECIAL AWARDS**

### **1. A GEORGE FORREST MEMORIAL MEDAL**

may be awarded at each club show, to the most meritorious plant or pan of rock plant(s) (one variety) exhibited in the scheduled classes.

Plants eligible for the award should come from the following:

- a. a plant that has won its class outright
- b. a plant from a multi-pan entry (the entry need not have won the class)
- c. a plant from the non-competitive classes

A Forrest medal shall not be awarded more than once in any one year at the Spring/Summer Shows to the same individual plant.

To members who have previously won this Medal an Award Card and Bar will be awarded instead of another medal.

### **2. A SILVER GEORGE FORREST MEMORIAL MEDAL**

Is presented to any member winning a total of ten Forrest Medals, to mark the achievement. Thereafter members winning subsequent Forrest Medals will receive an Award Card and Bar only.

### **3. CERTIFICATES OF MERIT.**

The judges shall have the power to award a Certificate of Merit to any exhibitor for a plant. The number of such certificates in any one Show shall not be limited, but the standard must be kept high.

### **4. A BRONZE MEDAL**

May be awarded at each Club Show to the competitor with the highest aggregate of points in Section II. A Bronze Medal shall not be awarded unless an exhibitor obtains 20% of the total points available in Section II of the show, except where, in the opinion of the Show Secretary and judges, the entries of that exhibitor are of outstanding merit. 'Points available' are calculated by totalling the points available from first prizes in the section. The exhibitor's aggregate of points must be at least 20% of the total; but may have been obtained from any prize placings. In the case of a 'tie' two Bronze Medals will be awarded. To members who have previously won a Bronze Medal an Award Card will be awarded instead of another medal.

### **5. A SCOTTISH ROCK GARDEN CLUB PROFESSIONAL MEDAL CARD**

may be awarded to a plant, exhibited on a trade or professional display, which in the opinion of the judges is of the same standard as expected for the Forrest Medal.

### **6. GOLD, SILVER or BRONZE MEDAL CARDS (Honorary)**

may be awarded in each of the following categories:

- (i) Built-up Rock Garden
- (ii) Rock Garden Plants in Pans
- (iii) Floral Display
- (iv) Display of Photographs
- (v) Display of Paintings or Drawings

- 7. THE ALPINE GARDEN SOCIETY SALVER**  
is awarded annually to the Plantsman of the Year, the exhibitor gaining the highest aggregate of First Prize points in Section I of Club Shows in the calendar year
- 8. THE RUTLAND SALVER**  
is awarded annually to the exhibitor in Section II who gains the highest aggregate of first prize points.
- 9. MERIT MEDALS**  
will be awarded for First Prizes gained in Section I. The only exceptions are that no 'firsts' awarded for cut flowers or floral arrangements will be eligible. One Medal only of each will be awarded as follows:  
Bronze Merit Medal after gaining 10 First Prizes  
Silver Merit Medal after gaining 25 First Prizes  
Gold Merit Medal after gaining 50 First Prizes  
Subsequent Gold Merit Medal winners will receive an Award Card only.
- 10. GOTHENBURG TROPHY**  
A new trophy funded from the sale of seed from the Gothenburg Botanic Garden. To go to the best plant grown from seed, cuttings or bought from the Garden and exhibited at a SRGC Show over a year (covers the North of England Shows). Plants that qualify will be photographed on a digital camera and relayed on the internet to Gothenburg for the final judging by Jimmy, Henrik, Gerben and the girls. The trophy will be given out at the AGM in the autumn.
- 11. Alpines 2001 TROPHY**  
This trophy rotates between the competitive shows in date order. If two shows change position in date sequence, the trophy moves in such a way as no show has the trophy for two consecutive years and no shows miss a year. It is awarded for the best cushion plant in the show.
- 12. The Williamson Cup**  
This cup will be awarded at the AGM for the best entry to **Class 5** of the Twice-yearly Photographic/Art Competition, exhibited in the current show year. See twice-yearly photographic/art completion schedule.
- 13. Alpine Garden Society - Ulster Group Quaich**  
Presented by the AGS Ulster Group to commemorate the 75<sup>th</sup> SRGC Anniversary. This trophy rotates between the competitive shows in date order. If two shows change position in date sequence, the trophy moves in such a way as no show has the trophy for two consecutive years and no shows miss a year.

## **RULES FOR JUDGES**

### **4. General Rules.**

- (i) One well-grown plant shall receive more points than several smaller ones.
- (ii) A plant in fruit shall rank equal to a plant in flower.
- (iii) No plant, unless in a class for some special quality, shall receive more than half the points allocated for condition if not in flower or fruit.
- (iv) No distinction shall be made between a plant grown in a pot or pan and one lifted from the open ground.
- (v) Only if other points are equal should preference be given to a species over a natural or garden hybrid.
- (vi) The judges are authorised, and are requested, to withhold any trophy, prize or award if they consider the exhibits to be of insufficient merit.

# THE ROYAL HORTICULTURAL SOCIETY'S JOINT ROCK GARDEN PLANT COMMITTEE

The Joint Rock Garden Plant Committee consists of representatives from The Royal Horticultural Society, The Alpine Garden Society, and The Scottish Rock Garden Club. It deals with all rock and alpine house plants other than irises, rhododendrons, narcissi and tulips although it does deal with dwarf members of these genera when these specialist committees are not meeting. There will be five meetings of the Committee in Scotland in 2014 and one at a joint show with the AGS. These will be held at the following shows:

Dunblane	12 noon, Saturday 15 <sup>th</sup> February
Northumberland	12 noon, Saturday 29 <sup>th</sup> March
Edinburgh	12 noon, Saturday 12 <sup>th</sup> April
Glasgow	12 noon, Saturday 3 <sup>rd</sup> May
Gardening Scotland	8.30 am, Saturday 31 <sup>st</sup> May
SRGC Summer Meeting	12 noon, Saturday 23 <sup>rd</sup> August

**1. The awards which may be recommended at shows are:**

First Class Certificate  
Award of Merit  
Certificate of Preliminary Commendation  
Certificate of Cultural Commendation

**2. ENTRY FORMS**

Details of plants to be submitted to the Committee must be entered on forms obtainable from the Show Secretary on the morning of the Show. Alternatively, for meetings held in Scotland these may be obtained in advance by sending an SAE to:

Dr Carole Bainbridge, 3 Woodhouselee, Easter Howgate, Midlothian, EH26 0PG.

Tel 0131 445 3268 e-mail [bainbridi@aol.com](mailto:bainbridi@aol.com)

Completed forms must be returned to the Committee Secretary by 11 am on the day of the Show, or the previous day for the meeting at Gardening Scotland.

**3. PLANTS SUBMITTED FOR AWARD**

- a) Plants may be entered for the competitive classes in the Show, in which case the Show Secretary will be responsible for moving them to the Committee Room. In order to assist the Show Secretary to do this, the owner must provide a separate note of the plants and the classes in which they are being exhibited, not later than 9 am. A suitable pro forma will be supplied with entry forms.
- b) Plants not on the Show Bench must be delivered directly to the Committee Room by 11 am by the owner.

**4. PLANTS REQUIRED FOR TRIAL**

Exhibitors entering plants before the Committee must understand in so doing that, if a cultivar is selected or recommended for trial, they tacitly agree to send the required plants, bulbs, cuttings, scions or buds of it for trial when desired by The Royal Horticultural Society. Exhibitors will be notified of the date by which the plants etc. should be sent.

5. A herbarium specimen may also be required for the horticultural herbarium at the RHS Garden at Wisley, in order to provide scientific material for the record and for study.

## TWICE-YEARLY PHOTOGRAPHIC/ART COMPETITION

Twice-yearly, at Stirling Show and the AGM, members are invited to submit artwork and photographs in the following categories :-

### Class 1

A photographic print of a rock plant, either in cultivation or the wild.

### Class 2

A photographic print of an alpine landscape or habitat; should include alpine plants.

### Class 3

A digitally manipulated image or design, of, or inspired by, a rock plant or alpine habitat. Include brief notes to explain the picture.

### Class 4

A drawing or painting of a rock plant, may be in colour or black and white.

### Class 5

A piece of artwork or craftwork inspired by a rock plant/alpine habitat; may be executed using conventional art techniques, needlework or other craftwork. Excludes digitally produced images.

**The Williamson Cup** will be awarded at the AGM for the best entry to **Class 5** in any one year. To be considered for the award, the winning entry from Class 5 at the Stirling Show, should be exhibited at the following AGM as an overall contender for the Williamson Cup. **Note:** this does not exclude the exhibitor from entering Class 5 at the AGM with a new piece of work.

### Conditions of Entry

- a. Members may make only **one** entry in each of the classes. Pieces of work should not have been exhibited at a SRGC show before.
- b. Entries may be up to A4 size (approx. 12 x 8 ins). Craft items may be larger, but advance notice is preferred of larger items/3 dimensional items, for display purposes.
- c. All two-dimensional entries to be titled and mounted using card (the final size of entry plus mount may exceed A4). **Glass frames are not permitted in classes 1-4.** Competitors name and address to be on the reverse. Other entries to be accompanied by titles and/or notes.
- d. A photograph is regarded as an image taken on any type of camera and printed either on computer printer or by conventional means. Digital **manipulation** of the image beyond the basics involved in printing/colour balance is not allowed for classes 1 and 2 although digital images printed from a computer are eligible.
- e. Postal entries should be well wrapped and marked "WITH CARE – ART WORK" & "FRAGILE PLEASE DO NOT BEND". Please make it clear which class(es) you are entering. Return postage is paid for by the club.

### Entries should be sent to :

**Cathy Caudwell, Abernyste Farm Cottage, Abernyste, Inchtute, Perth PH14 9ST**

If you wish to bring your entry to the show/AGM please write or telephone (01828 686709) giving the category you wish to enter. Entries should be there by 10am at Stirling or one hour before start of AGM. The entries will be displayed and judged at the Stirling Show (spring) and at the AGM (autumn). The prizes in each category are:

**First £10                      Second £5                      Third £3**

The list of prize winners is sent on returning the postal entries and appears in the Secretary's page. **Any prize money is sent directly from the Club Treasurer .**

## Lectures

11.00 Anne Wright 'Make your own daffodils (and snowdrops)', covering bulb propagation, including twin-scaling, and breeding including many of Anne's own hybrids.

2.00pm Diane Clement 'Hepaticas, a growing obsession'

Members are invited to contribute to the day by bringing as many pans of dwarf bulbs and early flowering alpine plants as possible.

Space will be available for cut flowers of plants which members do not want to disturb in the garden. Please bring your own vases for cut flowers.

Every contribution increases the value of the display for others.

Please bring as many pans of bulbs and alpines as possible.

Plants will be grouped into 'classes' on the morning between 9 am and 10 am.

The usual rule of one pan per class per exhibitor will be waived. No points will be awarded.

Members may also stage small exhibits comprising several exhibits to show variation in species etc.

Contributions are invited to the 50:50 plant sale and raffle, which will be held to cover expenses.

Members are asked to help with the teas and plant stall as this day is organised by the Bulb Group rather than a local group

The Bulb Group's activities benefit all members.

#### **Not for competition**

Members are invited to exhibit plants, cut flower arrangements, photographs, sketches, or paintings of plants, gardens, items in nature or other objects or materials of interest to members and the public.

### **SECTION V**

#### **Open to non-members at 5p per entry**

- Class
- 101. 1 bowl cut flowers of rock plants, arranged for decorative effect: bowl to be supplied by exhibitor, not to exceed 15 cm
- 102. 1 pan single primrose
- 103. 1 pan double primrose

- 110. 1 20cm (8") vase of daffodils, one variety, three blooms
- 111. 1 20cm (8") vase of Tulips, one variety, three blooms

**Definitions of Classes of Auricula, Polyanthus and Primrose**

**Show Auriculas** are either edge or self-coloured. They invariably have white paste centres.

**Alpine Auriculas** have pips of one colour, though of varying shades of that colour, the deeper shade towards the centre, the paler towards the edge. No farina is to be found on any part of an Alpine Auricula. The centres may be either gold or cream-coloured.

**Border or Garden Auriculas**, are somewhat similar to Alpine Auriculas, but the colour shading is much less definite. They are coarser plants than Alpine varieties, and farina may be found on foliage or flower scapes.

Florists' Auriculas should not be confused with Primulas belonging to the Auricula Section. This latter includes P.auricula and its varieties, and such well-known hybrids as P. 'Linda Pope'; the term " Auricula" is commonly applied to the florists varieties, and not to species and their hybrids.

The plant known as P. 'Barrowby Gem' is a Polyanthus, and the group covered by the name Juliae hybrids should be classed as Primroses; P. Garryarde Guinevere' is a Polyanthus.

Members who are in doubt as to which classes their exhibits belong should consult the Show Secretary.

**SECTION VI**

**This section is closed this year for competition**

# **SRGC SUMMER MEETING**

## **Flowers of the Hills and Mountains**

**23<sup>rd</sup> August 10.00am to 4.00pm**

**Show Secretary**            **Sandy Leven, 2, Leighton Court, Dunblane  
FK15 0ED**  
**Tel 01786 824064 sandy.leven@btinternet.com**

**Venue**                        **Dunblane Christian Fellowship Hall, Station  
Road, Dunblane**

**Location**                    **Opposite the railway station**

**Staging**                     **8.30am till 10.00 am on Saturday 23rd August**

**RHS JOINT ROCK GARDEN PLANT COMMITTEE:** will meet at 12.00 noon.  
Plants for consideration must be registered by 11.00 am

### **A summer event to celebrate rock gardening**

This new event celebrates both the fact that the SRGC is a garden club and the plants which members grow. It will illustrate and the beauty, diversity and garden-worthiness of the widest range of rock and woodland garden plants, bulbs, shrubs and trees, to encourage their cultivation in gardens and to encourage the exchange of plants and knowledge among gardeners. The display is not intended to be floral art.

### **‘Plant Hunting in Russia’**

#### **Olga Bondareva, from Moscow, Russia**

A very special day for members. We have invited Olga Bondareva, who gardens near Moscow, Russia’s capital, to give us 3 or 4 short talks during the day. Olga has travelled widely in the Caucasus, Tian-Shan, River Don Region, Vladivostok as well as Kyrgyzstan and Ukraine. These regions are pretty well unknown to and unvisited by British plantsmen. She is an expert photographer. Olga has still to finalise the contents of her lectures but will talk about areas which she has visited. She may also talk about ‘Growing Rare and Unusual Plants near Moscow’ in her own garden.

**The talks will be at 11.00am, 12 noon, 2.00pm and 3.00pm**

Olga cannot apply for a visa until February, 6 months before travelling, so an update and more details will appear in the July Secretary's pages.

## **A display of rock garden plants, flowers, foliage and fruit featuring**

- rock plants in pots
- bulbs
- cut stems of flowers,
- cut stems of shrubs,
- cut stems of trees

We want a much **wider range of exhibits** than the usual shows allow for, celebrating plants in flower, using cut stems, as well as plants in pots. We want members to show **plants suitable for most gardens**, as well as any special plants or plants for special situations.

## **Seedling and plant exchange**

- ❖ Members can donate pots of seedlings of which they have enough transplants for their own needs to share with other members
- ❖ Pots to be labelled with variety - sowing date, source and number eg SRGC 2011 No. 1234 [if possible]
- ❖ Pots should contain a 'reasonable number' of seedlings
- ❖ Large germinations can be split into several pots as appropriate
- ❖ Pots of seedlings will be sold with 50% going to the donor.

This sound ecological practice, will result in recipient gardeners enjoying a wider range of plants and more of the seeds distributed by the SRGC will be grown on to maturity.

## **Plant Sales**

- ❖ 50:50 PLANT SALE A members' summer plant sale featuring many of the plants in the displays and any other plants. All plant sales on a '50:50 basis'.

**Space will be available for Display Exhibits of photographs etc – contact Sandy Leven in advance**

**Exhibits** should be named as accurately as possible.

Ideally, the Display Card would give space for :- plant name, grower and the area or town where grown

It could also include

- **information** if the grower wanted to provide any eg country of origin, introduced by?
- **special requirements if any** e.g. - shelter, frost tender, care needed in different seasons, sea side, soil conditions, position etc
- **date of sowing, date of cutting**
- where it might be purchased - nursery etc
- are there plants for sale on the sales table? - *[tick box]*
- photographs of the plants growing in the garden or wild can accompany exhibits.

Exhibitors must supply their own containers which must be watertight. Cut stems can be displayed in

- vases or glasses and tumblers, bottles - *depending on the exhibit*
- used tins of various sizes, with the label removed. *[with the cut edge rounded]*
- Oasis in dishes, tins or jars
- The cut stems can be in water, wet sand, gravel or Oasis foam or similar material.
- The container must be heavy enough to allow it to stand upright with the exhibit

The first event in 2012 was a great success. Thank you to everyone who took part. The first SRGC shows were held in the 1930's and life has changed a lot since then. For the SRGC 80<sup>th</sup> year celebrations we encourage you all to use your imagination and bring as much vitality to the displays and exhibits as possible. All aspects of club life evolve and our club must evolve with it. If you missed last year's Summer Event, there are photographs on the SRGC web site.
