

Perthshire Rock Garden Club

Affiliated to the SRGC

Photo – *Meconopsis grandis*

We are a friendly group of gardeners who meet at the North Inch Community Campus on the first Tuesday of the month at 7.30pm

Bring along a few plants each month to share with members in our plant raffle. There is an entry charge of just £2 per night.

In the winter we have a season of talks or demonstrations. In the summer we meet to visit members' and other gardens.

Further information about the Scottish Rock Garden Club and their local groups is available at <http://www.srgc.net>
